After you join VR Chat OCETA Arena

1. After you join OCETA Arena in VRChat.
2. Continue to activate the Presentation Screen by clicking on the "Join Stream" button so the screen on the front wall will show up. In case of synchronisation problems (slides should be visible on the screen but are not) please click the "Resync Stream" button. If this will not help, please try "Join Stream/Resync Stream" buttons again or rejoin the VRChat instance again. If the problem persists, please join the OCETA MS Team meeting.
